EXCLUSIONS

The benefits that have not been requested from the **Insurer** through the **ASISTUR Alarm Center** and carried out without its agreement, except in cases of force majeure or proven material impossibility.

The performance of the diagnostic test for **COVID-19 (PCR)** or preventive health controls for the Traveler, established in the medical protocol by the health authorities.

Participation in dangerous competitions of any kind, as well as training or tests, betting and the consequences that arise from the practice of dangerous or high-risk hobbies, including, but not limited to: hunting, underwater activities, hang gliding, parasailing, mountaineering, motorcycling, motorsport, boxing, ATVs, etc. This exclusion may be rendered ineffective by paying extra premium.

Chronic and / or pre-existing illnesses except when it comes to medical attention for **medical emergencies**. Studies and / or treatments related to chronic or pre-existing or congenital or recurring diseases, known or not by the **Traveler** suffered prior to the start of the validity of this insurance and / or the trip, whichever is later, are expressly excluded, such as its exacerbations, sequels or consequences (even when they appear during the trip).

The consequences of surgical interventions not motivated by an **accident**.

These **COVERAGES** and **EXCLUSIONS** are for informational purposes. You should read the **GENERAL CONDITIONS** to obtain detailed information on the characteristics of Travel Insurance.

Cancellation of Insurance: After 72 hours before the insurance start date, the Traveler will NOT be able to make its cancellation effective.
